Mr. McElravy,

As the vice president of the Columbia Tusculum Community Council (CTCC) I'm writing to confirm the council's knowledge and support of the Airport Avenue Sidewalk and Bus Bench and Bike Rack Projects for 2017. These projects will connect the already completed streetscapes on Eastern Avenue and Tusculum Avenue. The improved streetscape and gateway will act as a clear introduction to our business district as well as improving traffic and pedestrian safety.

The CTCC fully supports these projects as an integral step in the continued revitalization of the Columbia Tusculum Business District and greatly appreciate your time and consideration during the NBDIP process.

Regards,

Matt Yauch
