Executive Summary

The American Dream Downpayment Initiative (ADDI) was signed into law on December 16, 2003. The ADDI program aims to increase the homeownership rate, especially among lower income and minority households, and to revitalize and stabilize communities. ADDI will help first-time homebuyers with the biggest hurdle to homeownership: down payment and closing costs. The program was created to assist low-income first-time homebuyers in purchasing single-family homes by providing funds for down payment and closing costs in conjunction with the assisted home purchase.

To be eligible for ADDI assistance, individuals must be first-time homebuyers interested in purchasing a home within the City of Cincinnati limits. ADDI funds may be used to purchase a single family home, condominium unit, cooperative unit, or manufactured housing. Additionally, households that qualify for ADDI assistance must have incomes that do not exceed 80% of area median income. ADDI funds may only be used for down payment and closing costs toward a home not to exceed \$5,000 or a range of four - five percent of the purchase price of the home, whichever is less. After a thorough review of the application, the City will determine the percentage of assistance the household is pre-approved for. ADDI funds are awarded as a five-year non-interest bearing deferred loan payment with a five-year residency requirement. All or a portion of the funds will be recaptured in the event a homeowner moves from the residence, sells or transfers ownership during the five-year residency period.

I. Applicant Eligibility and Application Review Process

- A. **Applicants must be first time homebuyers.** A First Time Homebuyer is a person that meets one of the following criteria:
- An individual and his/her spouse who have not owned a home during the three-year period prior to the purchase of the home assisted under the ADDI Program;
 - A single parent, defined as an individual who is unmarried or legally separated from a spouse who is pregnant, has custody of one or more minor children or who shares joint custody.
 - A displaced homemaker, defined as an individual who is an adult that has not worked full-time for a full-year in the labor force over a number of years, but has during such years, worked primary without remuneration (wages) to care for the home and family; and, is unemployed or under-employed and experiencing difficulty in obtaining or up grading employment.

Note: Applicants must provide documentation or evidence of being pre-qualified for a Mortgage. This can be obtained from the lender and must accompany the application for ADDI funds in order for the application to be considered.

- B. **Separated Couples.** Separated couples will be treated as married couples. Both spouses will be required to complete the application and the incomes and assets of both will have to be considered accordingly. A copy of the divorce decree or legal separation documents will be required, if applicable.
- C. **Household Income Restrictions.** Applicants' household income must be at or below 80% of the Area Median Income (AMI) as determined by HUD (**See Appendix A**). All sources of income for all adult household members both earned and unearned will be counted toward the household income. Earned income of minors (age 18 and younger) is not counted. However, unearned income attributable to a minor like child support, TANF (Temporary Assistance for Needy Families) payments and other benefits paid on behalf of a minor is included. The City will determine a household's income by reviewing the income and asset source documentation listed in the following section.
- D. **Household Income Inclusions (See Appendix B).** Income included in determining eligibility is income from: Wages, salaries, tips, etc.; Business Income; Interest & Dividend Income; Retirement & Insurance Income; Social Security; Unemployment & Disability Income; Welfare Assistance; Alimony, Child Support, & Reoccurring Gift Income; Armed Forces Income.
- E. **Required Source Documentation for Income.**
- Wages, salaries, tips, etc. - 3 Month equivalent of pay stubs (i.e. 6 pay stubs for bi-weekly pay/ 12 pay stubs for weekly pay). If pay stubs cannot be obtained, a signed printout from the employer exhibiting pay for the past three months is acceptable. Pay stubs and/ or printouts must state gross pay.
 - Social Security – a current award letter from the Social Security office stating monthly benefit amount
 - Child Support – a payment history report from the administering agency or document from the administering agency stating the monthly benefit amount for all children
 - All other income – a document from the administering agency, department, etc. that states the benefit, gift, or income amount.

Note: The City of Cincinnati has the right to ask for additional information or check with a third party to determine eligibility for the ADDI program. "Certified Eligibility" is only valid

for six months. If a closing with ADDI funds does not occur within this six-month time period, the applicant's eligibility will be terminated. The applicant will be required to resubmit a new application so eligibility can be reestablished. Applicants that are in collections for outstanding debt owed to the City or otherwise have a lawsuit filed against them by the City are not eligible to apply, as they are ineligible to receive ADDI. The City also reserves the right to terminate an ADDI pre-approval at any time if funds are no longer available.

- F. **Assets.** In general terms, an asset is a non-cash item that can be converted to cash. Note that when assets are included in the calculation of annual income, it is the income earned from the asset - not the value of the asset - that is counted (**See Appendix C for a list of assets**).
- G. **Required Source Documentation for Assets.**
- a. Checking account – past six months of statements, the average six-month balance will be used
 - b. Savings account – most recent statement (only one month required)
 - c. All other assets – document from the institution or equivalent that shows the income earned from the asset or its cash value, whichever is applicable

Note: An "imputed" income will be calculated based on a Passbook Rate applied to the cash value of all assets. (The Passbook Rate is established periodically by HUD.)

- H. **ADDI Pre-Approval (See Appendix D).** Applicants between 66% and 80% of the AMI will be eligible to receive 4% of the purchase price of an eligible house. Applicants at 50%-65% of AMI will be eligible to receive 4.5% of the purchase price and applicants at 49% or less of the AMI will be eligible to receive 5% of the House Purchase Price, up to a maximum of \$5,000 for down payment/ closing cost assistance.
- I. **Homebuyer Counseling.** Applicants are required to complete homebuyer counseling with a local HUD-Approved counseling agency (**See Appendix E for a list of approved agencies**). A certificate or letter of completion will need to be submitted to the City as documentation. Certificates older than 18 months will not be honored. It is not necessary to complete homebuyer counseling before applying to the ADDI program. However, it is required before the ADDI funds can be awarded.
- J. **ADDI Funds.** ADDI funds are provided on behalf of the buyer at the time of closing. The down payment assistance will be in the form of a five-year forgivable loan with a five-year residency requirement. A "forgivable loan" is one where payments are deferred over a period of time. ADDI loans are deferred over a five-year period with 20% forgiven (not requiring repayment) each year residency is verified. Should the property be sold or transferred within the five-year term, the City will recapture all or a portion of the funds awarded toward the purchase of the property. All ADDI loans are enforced by a subordinate mortgage and promissory note.
- K. **Application Submittal.** Applications must be complete and must be submitted by mail or hand-delivered to our office. Faxed and emailed copies are not accepted. Allow 10-15 business days for processing. **Completed application packets can be mailed to:**

II. The Purchase Contract and Property Requirements

- A. **The Purchase Contract.** A real estate purchase contract also known as a Contract to Purchase Real Estate or Residential Purchase Agreement is a binding agreement (between two or more parties with legal capacity) to purchase real property. A purchase contract should have at least a 30-day time frame established to close. A Purchase contract on any house constructed before 1978 must include a "Lead Based Paint Disclosure". ADDI funds will be ready two weeks after all requirements set forth in the ADDI Pre-approval have been met. Once the City is in receipt of a fully executed contract to purchase, a City inspector will be assigned to inspect the property.

Note: A home under contract prior to an applicant's approval for ADDI will be ineligible. An applicant's approval must be determined before an official offer can be made if ADDI funds are sought. An addendum that results in a change to the purchase price will change the amount of ADDI assistance. The City will need ample time to adjust any and all documents to reflect the new assistance amount. So it is important that the City receives such documents in a timely manner to prevent delays in closing. Revised lender/loan documents will also have to be submitted accordingly.

- B. **Voluntary Acquisition Form (See Appendix F).** Once a purchase contract is established, this form is to be completed by the buyer/buyer's agent, submitted to the seller for signature, and returned to the City before closing.
- C. **Property Legal Description.** The legal description of a property is a description of the property based on a metes and bounds area, a plot map and the area of the land in question. It is more than the address. It describes the land that is the subject of the description in a manner that can be confirmed by survey, so if a boundary dispute arises it can be determined who owns what. A legal description of the property should be submitted with the purchase contract or shortly thereafter. This document will be used as an exhibit to the ADDI contract and City closing documents (**See Appendix G**) that the buyer(s) will have to execute with the City. If this document cannot be obtained from the lender or the agent in a timely manner, it can be obtained from the Hamilton County Recorder's Office located at 138 E. Court Street, Cincinnati, Ohio 45202.
- D. **Property Eligibility Requirements.** Applicants must purchase a qualified home defined as a single-family residence, condominium unit, cooperative unit or combination of manufactured housing and lot in the City of Cincinnati limits (**See Appendix H for eligible neighborhoods**). Multi-family units including two-family units are not eligible. As stated in the previous section, the contact information for the City inspector will be distributed to the buyer after a fully executed purchase contract is received. It will be the buyer's and/or his/her agent's responsibility to contact the inspector to schedule the inspection. The City inspector will inspect the home to ensure that it meets the Local Housing Code. As such, the inspector will need access to the interior of the home and all utilities will have to be on. Any property that does not pass the City inspection will be deemed ineligible for the ADDI program. New constructions will require a Certificate of Occupancy. Reports will be submitted to the Buyer and/or the buyer's agent within 2-4 days after the inspection is conducted. A local housing code inspection does not constitute a whole house inspection. A property sales price may not exceed the HUD single-family purchase price limit (**See Appendix A**).
- E. **Property Located in Flood Plain.** Property located in a FEMA designated 100-year flood plain as determined by the Lender or the City must obtain flood insurance. A copy of the policy will need to be submitted to the City before closing. If no policy is obtained, the house will be ineligible for ADDI funds.

III. Mortgage Loan and Lender Requirements

- A. **Lender Financing.** ADDI Program participants may obtain a loan from the lending institution of their choice. The loan must meet the following underwriting criteria: No more than 31% of family income devoted to principal, interest, taxes and insurance and no more than 43% of family income for overall debt. Loans may be Conventional, FHA, or VA, but must have a fixed rate and a reasonable term. Money should also be escrowed for property taxes and insurance. Adjustable Rate Mortgages (ARMs) are prohibited.
- B. **Loan Documentation.** The following loan documents must be submitted to the City for review before ADDI funds can be awarded, these documents can be emailed or faxed:
- a. Copy of the financing application
 - b. Copy of the TRID Loan Estimate, as amended or revised
 - c. Copy of the Transmittal/Underwriting Summary
 - d. Copy of the TRID Closing Disclosure, as amended or revised
 - e. Copy of Flood Insurance Policy (if applicable)

Note: These documents should demonstrate comparable industry standards of interest rates and fees.

- C. **Property Appraisal.** The City requires a copy of the appraisal for the house being purchased prior to closing. This document is needed to ensure that the appraised value does not exceed HUD's single-family purchase price limit (**See Appendix A**).
- D. **Eligible Closing Costs.** ADDI funds can be used to pay for financing fees, credit reports, title binders and insurance, and recordation fees.

Note: It is expected that ADDI funds will be used to record the City's 2nd mortgage.

- E. **Non-Occupying Co-borrowers.** Non-occupying co-borrowers are considered to be an additional borrower that will not reside in the property purchased, but will sign the note and mortgage for the purpose of providing additional security for the lender. Non-occupying co-borrowers are permitted only if the lender is using the co-borrower as added security. This can be in the case of insufficient credit and/or short or sporadic work history of the borrower. ADDI applicants whose monthly income cannot support a monthly mortgage may not utilize a non-occupying co-borrower for the sake of securing financing in order to receive ADDI funds. Non-occupying co-borrowers are not permitted to be on the deed at purchase.
- F. **Ownership.** Ownership can be in the form of a fee simple title or membership in a cooperative or mutual housing project that constitutes homeownership under Ohio state law.
- G. **Future City Loan Subordinations.** The City will not subordinate to any additional debt during the term of the ADDI Program note. Owners will be permitted to refinance existing debt in order to obtain a better interest rate or a lower payment. Closing costs associated with that refinance must be paid by the owner and cannot be included in the refinance (**See Appendix I for ADDI subordination procedures**).

IV. Loan Closing

- A. **TRID Closing Disclosure.** This document must be submitted to the City for review at least 24 hours prior to closing.
- a. It should disclose program funds as either “ADDI Program Funds” or “City of Cincinnati”.
 - b. It should include a recording fee for the City mortgage, the City 2nd mortgage is typically two-pages including the legal description
 - c. The buyer is not allowed any cash back at closing, potential cash back should be applied as a principal reduction or applied to additional closing costs
- B. **City Closing Documents & Deliverance of ADDI Funds.** The buyer(s) at closing will be required to execute a Mortgage and Promissory Note in favor of the City (**See Appendix G, pages 22-24 for sample documents**). A recordation/filing fee for the City’s mortgage should be included on TRID Closing Disclosure. The original City mortgage will be left with the closing title company to be recorded along with the first mortgage. The City will maintain its mortgage for five-years or until the homeowner pays the City’s mortgage off, whichever come first. The City will recapture all or a portion of the funds in the event that the buyer does not maintain the property as a principle residence or transfers ownership within the five-year affordability period. ADDI funds are structured as a five-year non-interest bearing deferred payment loan with 20% of the funds forgiven each year the homeowner resides in the property. To monitor this requirement, the homeowner will be mailed a Residency Certification notice annually on or about the anniversary of the closing date. The homeowner will be required to sign and return the notice. Failure to do so will result in a loan default, recapture of ADDI funds, and possible legal action A representative of the City will deliver the ADDI funds to closing in the form of a City of Cincinnati check. The check will be endorsed over to the closing title company once the Settlement Statement and City closing documents are executed. The City will also secure a copy of the signed deed as evidence of ownership
- C. **Loan Default & Recapture Provision.** Buyer(s) that do not adhere to the requirements as outlined in the City’s Contract, Mortgage, and Promissory Note will be subject to repayment of the loan in whole or in part depending on the number of years occupancy has been verified. If the borrower is facing a financial hardship and is seeking to sale the home to avoid foreclosure, the City is at the liberty to extinguish the mortgage and forgive any repayment of the loan as long as there are no proceeds to the seller(s) from the sale of the home. Any financial hardship must be documented by a letter from the owner of the home as well as by the lending institution holding the primary mortgage. The City will require a copy of the executed TRID Closing Disclosure.

November 1, 2015

Dear ADDI Applicant(s):

Congratulations! You have been pre-approved for participation in the City of Cincinnati American Dream Downpayment Initiative Program (ADDI). You are pre-approved for down payment assistance equal to **4.5%** of your home's purchase price, up to a maximum of \$5,000 subject to the conditions summarized in this letter and program literature.

Conditions of Approval

1. Sign both copies of this letter where indicated, return one copy to the City at the above address and retain the second for your records. The signed letter must be returned to the City within 14 days. **It is suggested that you provide a copy of this letter to your loan officer and realtor.**

2. You have 90 days from the date of this letter to provide the City with a fully executed contract to purchase on an eligible property located in the City limits. If this deadline cannot be met, one 45-day extension can be granted, but must be requested in writing prior to the expiration of the 90 days. Failure to submit a contract to purchase within in the allotted time will result in an automatic termination of this pre-approval. A copy of a contract to purchase including the lead based-paint disclosure and a legal description of the property must be submitted to the City within 7 days of the date the contract is signed by all parties. When a purchase contract is submitted, you have up to six months from the date of this letter to close on the property. If this cannot be accomplished, this pre-approval will be terminated and you will have to re-apply to the Program. Any addendums to the purchase contract that affects the sales price must be submitted to the City immediately as this will affect the down payment assistance amount. Legal descriptions can be obtained from the Hamilton County Recorder's Office located at 138 E. Court Street, Downtown Cincinnati.

3. Upon receipt of a copy of your purchase contract, the City will provide you with contact information so that you or your realtor may schedule the required local housing code inspection. A City building inspector will conduct the inspection to ensure that the property meets the local housing code. Please allow 2-4 business days for the inspection report to be available. Should the property fail the City inspection and the owner is unwilling or unable to correct the cited deficiencies, the property will not be eligible for ADDI funds. *This inspection is not intended to replace a whole house inspection, which is your responsibility.*

4. You must provide to the City the following documentation within 7 days of your receipt of each item:

- A copy of your Certificate of Completion for a New Home Buyers Class/Counseling (if not already submitted) from a HUD-certified agency.
- A copy of your financing application that is date stamped or validated as being received by the lender.
- Copy of the Property Appraisal Report (this can be obtained from your lender)
- A copy of the following loan documents: TRID Loan Estimate, as amended or revised, and the Transmittal Summary (underwriting document) from your lending institution that demonstrates that your loan complies with the following loan underwriting criteria: no more than 31% of family income

can be devoted to principal, interest, taxes and insurance, and no more than 43% of family income can be devoted overall household debt. These documents should demonstrate comparable industry standards of interest rates and fees. Adjustable Rate Mortgages (ARMs) are prohibited. It is your responsibility to inform your financial institution of these requirements.

5. You will be required to execute an Agreement (contract) with the City delineating the loan terms. The City cannot prepare this Agreement without a copy of the fully executed contract to purchase and the property legal description. So it is important that these documents are submitted as soon as possible. Additionally, all requirements outlined in this letter must be met before any funds can be awarded. **Please note that funding will not be available until the end of July to allow for the transition from the City's old to new fiscal year.** This should be taken into consideration when scheduling the closing date. With the exception of the City's inspection report, City staff is not responsible for securing any of the documents for you. The City will not be responsible for delayed closings caused by a property that did not pass a City inspection or for the failure of you or anyone with whom you are working to submit all the required documents in a timely manner.

6. At least 24 hours prior to closing, you must provide to the City a copy of your TRID Closing Disclosure, as amended or revised, for review. At the closing you will be required to sign a promissory note and mortgage in favor of the City. The City will secure a copy of the signed deed as evidence of ownership. The name(s) on the deed *should* match the name(s) to appear on the City's Note and Mortgage. **Under no circumstance are buyers allowed to receive money back at closing. Any potential refunds can be applied as a principle reduction or applied toward closing costs.**

7. ADDI funds will be provided on your behalf at the time of closing. Funds are provided as a 5-year deferred payment loan with the condition that the loan will be forgiven when you live in the home for 5 years. The loan must be repaid if you fail to do so, or if the home is sold or ownership is transferred during that 5-year period.

8. On the anniversary of your closing date, you must complete and return a Residency Certification form. This form will be mailed to you annually. Your loan will be forgiven after five years of verifying residency.

9. Prior to closing, you must inform the City of any change in your status that might affect your eligibility. The City reserves the right to request additional documentation to determine your continued Program eligibility. The City also reserves the right to void this approval in the event you do not comply with the request or funding is no longer available.

If you have any questions regarding your pre-approval, please contact Roy J. Hackworth, Senior Development Analyst at (513) 352-6119.

Sincerely,

Housing Division Manager

Since this is a voluntary sale, you as the seller(s) will not be eligible for relocation assistance as a consequence of this transaction. However, if any tenants have been displaced for this sale to occur or if tenants currently rent or occupy space on the property, please provide us with that information by completing the attached "Tenant Profile" form. (An example of the non-proration provision: If a Maker sold the Property two years and six months after the date of the Promissory Note, the amount forgiven would be Forty percent [40%] of the original principal amount of the loan, NOT Fifty percent [50%.])

3. The Maker will be required to repay the loan in the event that the Maker: 1) does not live at the Property for five (5) years from the date of this Note; and/or 2) sells or transfers the Property within five (5) years of the date of this Note. agrees to keep, observe, and perform them or cause them to be kept, observed, and performed, strictly in accordance with the terms and provisions thereof.

6. Upon any default in the payment of any installment of interest, principal, or any other sum when due under this Note, which default is not cured within ten (10) days after Maker is given written notice thereof, or upon the happening of any default or Event of Default described or incorporated in the Mortgage and the expiration of the applicable notice and cure period, if any, contained in this Note, the entire principal sum hereof and accrued but unpaid interest hereon may, at the sole option of the holder hereof, be declared at once due and payable, time being of the essence of this obligation. Failure of the holder hereof to exercise this option in the event of any such default or Event of Default shall not constitute a waiver of the right of the holder to exercise the same in the event of a subsequent default or Event of Default.

7. All parties to this Note hereby waive presentment for payment and notice of dishonor.

The Maker has duly executed this Note as of the day and year first above written.

American Dream Downpayment Initiative (ADDI) Loan Subordination Requirements

The City will not subordinate to adjustable rate loans or for the purposes of consolidating debt or “cashing out”. In order to determine your eligibility and begin the subordination process, it is required that the following documents are submitted:

- A subordination fee of \$250 in the form of a cashier’s check or money order made payable to the “City of Cincinnati” must be received with the request.
- A signed letter from the borrower stating the reason for the subordination request, new loan amount, lender, and the property address; this letter should also acknowledge that the borrower will not realize a cash payment from the refinancing.
- Copy of the mortgage to be refinanced and any assignments thereof (recorded versions)
- Copy of the recorded title deed (including legal description)
- Recorded copy of the City’s Mortgage that is to be subordinated
- Copy of the current market value appraisal of the property or other document used by the lender to substantiate the value. In order to be considered current by the City, appraisals must have been completed no later than three months prior to the date of requesting the loan subordination from the City; Loan to value may not exceed 100%
- Copy of the TRID Loan Estimate and Transmittal Summary (underwriting document)
- Copy of the proposed New Mortgage and Note, if available, for which the subordination is being requested (including lender’s name and amount of new mortgage)
- Copy of the TRID Closing Disclosure.

With the exception of the HUD settlement statement, once the City has received the above items and a borrower’s eligibility has been determined, the City will issue a “Letter of Intent” in lieu of drafting the subordination agreement. Please note that this agreement has to be signed by the City Manager and will only be released upon receipt of an TRID Closing Disclosure. The City will make best efforts to process and complete a subordination request within two to three weeks from the date all the necessary documentation has been received. All documents including the subordination fee should be mailed to:

American Dream Downpayment Initiative (ADDI) FAQ Sheet

What is the ADDI program and what does it do?

It is a down payment assistance program that provides up to \$5,000 to be used for down payment and/or closing costs for the purchase of a home in the City of Cincinnati.

How do I get started?

You can obtain an ADDI application packet and brochure online at www.cincinnati-oh.gov or by contacting the Department of Community & Economic Development at (513) 352-6146. Incomplete applications will be returned.

Who is the ADDI program for?

The ADDI program is for first time homebuyers that have been pre-qualified for a mortgage loan and that have low to moderate household income. Please refer to ADDI application or program guide for income limits. All household income must be documented. Evidence of a mortgage pre-qualification must be submitted with the ADDI application. Please refer to the application packet or program guide for other required documentation.

I have a job where I don't receive pay stubs. Will I still have a chance to participate?

If you do not receive pay stubs through your line of work. We may request tax returns to support what the income is stated to be. Ultimately, with the information received, if we are unable to adequately determine or verify income, the assumption will be made that you are over-income and approval will be denied on the basis of lacking substantial information.

Do I have to pay ADDI funds back?

ADDI funds are forgivable loans that are to be paid back **only** (in whole or in part) if the property is sold or transferred before the 5th anniversary of the closing date. Homebuyers awarded ADDI funds must maintain the property as their primary residence for five years to avoid any repayment.

How are the funds actually forgiven?

ADDI funds are forgiven at a rate of 20% annually over a five-year period considering that the homeowner maintains the property as his/her primary residence for the term of the loan.

Can I use this program to purchase a home outside of the City?

No. The City's ADDI program only supports homeownership within the City limits. If there is a question about the eligibility of a particular address, please contact the Department of Community and Economic Development for verification.

Does ADDI work with acquisition/rehab loans?

Acquisition/rehab loans are not suggested because ADDI funds will only be awarded for a house that passes a City housing code inspection.

Do I have to pay for the City inspection?

No, however, it is the homebuyer's responsibility to obtain any other inspection services associated with buying the home (i.e. whole house; termite, etc...). The City's inspection is not meant to substitute a whole house inspection.

I want to refinance my house bought with ADDI funds; will the City of Cincinnati subordinate its loan?

Yes, but the City will only subordinate its loan in favor of a better rate or term for the homeowner. The City will not subordinate to consolidate debt or to “cash out”. ADDI subordination guidelines are listed in the Program manual.

Am I allowed to receive cash back at closing?

No. ADDI participants are not allowed to receive cash back at closing. Any potential cash back can be used for a principal reduction or other closing costs. If this cannot be accomplished, the refund amount will have to be deducted from the ADDI funds.

How long does the process take to receive funding?

Contingent on meeting all ADDI requirements, it can take anywhere from 30-45 days to have a check released after the City receives a copy of the fully executed purchase contract. Please take this into consideration when setting a closing date.

I already have a purchase contract on a house and a friend just told me about the ADDI program; can I still apply?

No. If you are seeking down payment assistance you must apply and be approved for participation in the ADDI program prior to signing a contract to purchase.

How long is the ADDI approval letter valid?

An applicant has 90 days to present to the City a fully executed contract to purchase before the approval letter expires. One 45-day extension can be requested in writing if this deadline cannot be met. If a purchase contract is received, but a closing is not held within **6 months** of the date of the initial ADDI approval letter, the applicant will be required to reapply so the City can verify continued eligibility.

Do I have to participate in homebuyer counseling?

Yes. It is required that you complete HUD-certified homebuyer counseling in order to receive funding. Certificates older than 18 months will not be honored. Refer to the program manual for a list of acceptable agencies offering counseling.

Do you provide a list of lenders or realtors?

It is left to the discretion of the applicant to choose a lender and realtor that is suitable and willing to work with them and within the ADDI guidelines.

Does the ADDI Program work with FHA and conventional loans?

Yes, but with any loan, we reserve the right to deny or terminate eligibility if the loan is suspected to be subprime or does not meet our debt-to-income requirements (31%/43%). Adjustable Rate Mortgages (ARMs) are not permitted.

Can ADDI be used with other assistance programs?

Yes, however all ADDI requirements will still have to be met and you must notify the City of the program in question and the City will determine whether ADDI can be used in conjunction.

I am separated; do I still have to include my separated spouse on the ADDI application?

Yes, separated couples will be treated as married couples there is a legal separation agreement or an actual divorce decree.

Are non-occupying co-borrowers/co-signers permitted if I cannot obtain financing by myself?

The ADDI applicant(s) must be able to afford the mortgage on their income only. Non-occupying co-borrowers are permitted only if the lender is using the co-borrower as added security. This can be in the case of insufficient credit and/or short or sporadic work history. Applicants whose monthly income cannot

support a monthly mortgage cannot utilize a non-occupying co-borrower for the sake of securing financing in order to receive ADDI funds. Non-occupying co-borrowers are not permitted to be on the deed at purchase.
