

# Cincinnati USA About the Region

## Access to Customers

- Cincinnati USA is the 24th largest metro area in the United States, with a total population of more than 2.1 million
- 24 major metro markets are located within 1,000 kilometers of the region
- The region serves the top 50 U.S. markets with non-stop air service
- 1,000 kilometers to half of the U.S. population and half of U.S. manufacturing

## Strong Corporate Presence/ Company Headquarters

- Nine Fortune 500 companies are headquartered in the region
- 300+ foreign-owned companies are located in the region

## Talent Pipeline

- 300 colleges with 1 million students within 300 kilometers
- 14 colleges, universities and professional schools located within 50 kilometers
- More than 1.5 million workforce within 80 kilometers of the city center

## Affordable Lifestyle

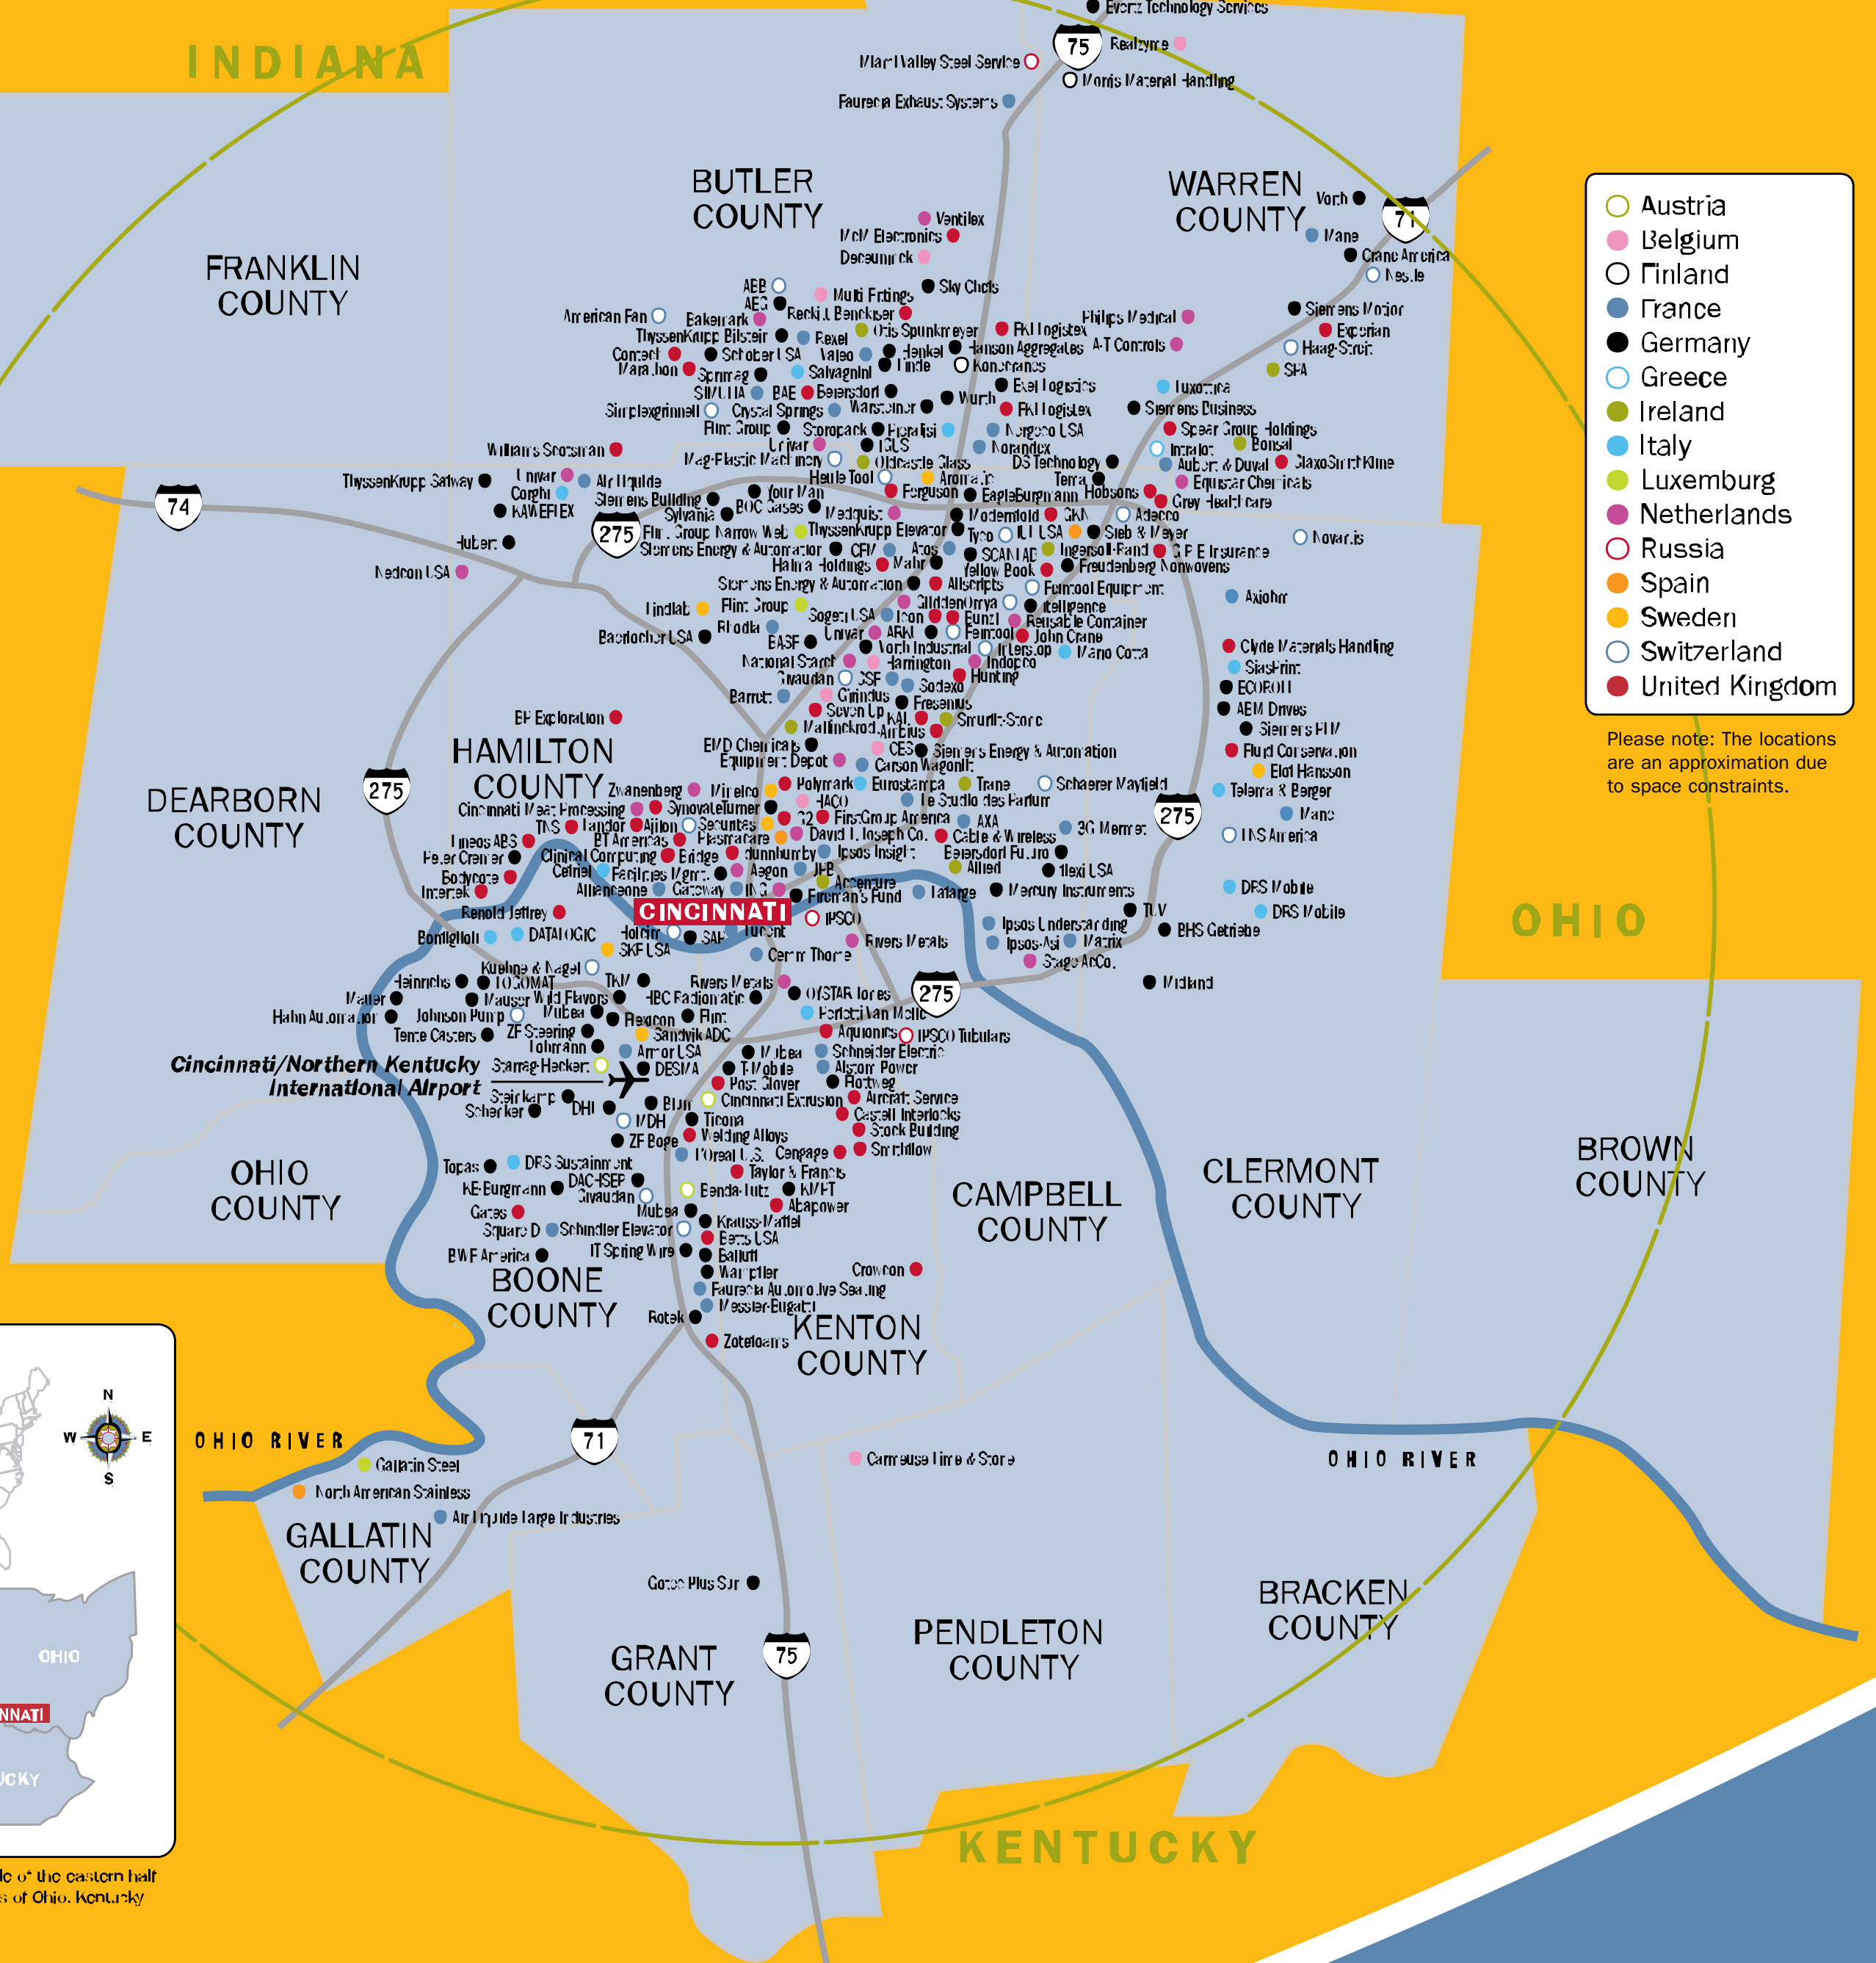

- Cost of Living Index
  - National Average: 100
  - Cincinnati USA: 93.8
  - Source: COLI 2010 Annual Review
- Median Housing Cost
  - National Average: \$177,900
  - Cincinnati USA: \$129,300
  - Source: National Association of Realtors, 3rd Qtr 2010
- Average Commute Time: 24 minutes

## Global Presence

- Home to the first chapter of the European American Chamber of Commerce (EACC), which works to stimulate business relations and economic development between Europe and the Greater Cincinnati area, through thought-leadership and programs that encourage collaboration, networking and education. Founded in 2007, the EACC works in partnership with the EACC in Paris, France, and the EACC in New York. Member companies represent a wide variety of business categories and include companies with U.S. and European headquarters, and Cincinnati-area companies doing business or prospective business in Europe. For more information, visit: [www.europe-cincinnati.com](http://www.europe-cincinnati.com)

Cincinnati USA is located in the middle of the eastern half of the United States, where the states of Ohio, Kentucky and Indiana converge.

Please note: The locations are an approximation due to space constraints.
