Section 3: YES
State Prevailing Wage: NO
Davis Bacon: YES
Location(s): 5901 and 5917 Hamilton Avenue, College Hill
Parcel ID#: 233-0002-0018-00, 233-0002-0015-00

Description: Façade work on these buildings will be broken out over two buildings and three categories. Those two buildings are 5901 Hamilton Avenue (The Dow Corner) and 5917 Hamilton Avenue (The Doll House). The three categories will be masonry, windows and doors, and storefront systems. All bids should be broken into the three categories and divided by the two buildings.

Dow Corner (5901 Hamilton):

Storefront Structure – We will be looking to rebuild the storefront to include new anodized bronze frame storefront windows. The storefront knee wall will need to be rebuilt and faced with wood. We will need to install a new anodized bronze storefront door.

Exterior Doors and Windows – Replace side exterior doors with similar double full light doors with glass transom. Replace the windows with historically appropriate windows. Any historic framing that can be salvaged will be saved and repaired. Windows will be installed to fit the historic window openings.

Masonry Restoration and Painting – Clean and tuck point all terra cotta tiles and rebuild the parapet wall. Scrape metal trim behind sign and repaint the repair surface. Clean all brick.

Doll House (5917 Hamilton)

Storefront Structure – Rebuild storefront to include new aluminum anodized bronze frame storefront windows. Install new aluminum anodized bronze frame full light glass door. Tuck remaining storefront brick.

Exterior Doors/Windows – Install full-light anodized bronze doors for all side façade doors that were boarded/blocked up. Install double swing full light glass doors in rear façade door opening. Widen opening to accommodate doors. Replace windows with historically appropriate windows. Any historic framing that can be salvaged will be saved and repaired. Windows will be installed to fit the historic window openings.

Masonry Restoration and Painting – Entire building, all four facades require tuck pointing. Scrape all paint on front façade, seal wood, repaint with historically appropriate colors as determined by owner.

Work to be bid (mark with an “x”):

General Contractor		HVAC		Siding		Elevator	
Surveying		Dry Wall		Inter. Painting		Landscape	
Demo		Metals	X	Exter. Painting	X	Security
