

Attachment A: Scope of Work

Please complete the following information for each project.

Project Name

Total Budget (\$) for project

A. Scope of Project – Describe what the community will accomplish with this grant money. Include details such as: what will be purchased, location, anticipated dates, community goals, etc.

B. How we intend – Describe what the community will accomplish with this grant money. Include details such as: what will be purchased, location, anticipated dates, community goals, etc.

C. How we will measure success – Provide details on how the project will be deemed successful. This includes metrics such as: quantitative data, surveying businesses, increase in membership, increase in fundraising. Performance metrics help ensure the grant program continues.
